LILIAN BROCK,

*Inspectress of Schools, Presidency and Burdwan Divisions.*

CALCUTTA, the 17th January 1920.

**The Government Diploma in Accountancy of the Sydenham  
College of Commerce and Economics, Bombay.**

**INSTRUCTIONS TO CANDIDATES FOR THE DIPLOMA.**

*(The Regulations referred to are the Regulations for the award of the Diploma published on pages 1170-72 of Part IC of the Calcutta Gazette of the 10th December 1919.)*

**Regulation 4.—**

*(A) Examinations equivalent to Matriculation.*—Examinations recognized by an Indian University as equivalent to the Matriculation or Entrance examination of that University will be recognized as such by the Accountancy Diploma Board under this regulation. If the candidate has studied for one or more terms in a College affiliated to an Indian University, a certificate to that effect signed by the Principal of that College will be accepted as proof of the candidate's eligibility for the Diploma course. The previous orders of the Board must be secured by the candidate in other cases.

*(B) Attendance certificate.*—The attendance ought to be in an institution specially recognized by the Accountancy Diploma Board for purposes of this Diploma. The candidate is required to have attended three-fourths of the number of days on which lectures were delivered in each of the two academic years. Should his attendance in either of the two years have fallen short of three-fourths, that particular year will not be counted as a portion of the two years' attendance prescribed by this regulation. If he has attended the prescribed number of lectures in each of two academic years, but has not been certified as fit to present himself for the examination, he will not be required to attend lectures for a third year, but will merely be required to satisfy the Principal about his fitness to appear for the examination, and to submit his application through the Principal. He may undergo practical training in accounts during such third year, and such training will be counted as a portion of the three years' training prescribed by Regulation 12 (b).

*(C)* The fee of Rs. 50 must reach the Secretary to the Accountancy Diploma Board, 65, Apollo Street, Fort Bombay on or before 31st January. *Fees paid in will on no account be refunded.*

**Regulation No. 5.—**

Under this regulation, an under-graduate may, in lieu of attending lectures for two years as prescribed by Regulation No. 4, receive practical training in accounts for two years. He must apply to the Board for the recognition of such practical training and secure the orders of the Board before applying for the examination; the number and date of such order must be quoted in the candidate's application for the examination.

**Regulations 6 and 13.—**

When the holder of a temporary auditor's certificate applies for the examination under regulation 6 or for the Diploma under Regulation 13,

the period for which the auditor's certificate was granted must not have expired. An application from such a candidate submitted after the expiry of the period for which the certificate was granted will not be accepted by the Board.

*Regulation 12.—*

*Practical training.*—Every candidate entering on the course of practical training prescribed by this regulation must submit to the Accountancy Diploma Board an application for the recognition of such practical training in the prescribed form, copies of which can be had at the office of the Board, Apollo Street, Bombay; such applications must be submitted within sixty days of the commencement of the practical training.

The practical training must be under a Chartered or an Incorporated Accountant or a certified auditor working as a Public Accountant. It is immaterial whether the candidate has paid a premium for such training or is in receipt of a salary. It is essential that he should be a full-time apprentice and should not be engaged in any other work during the usual office hours.

Chartered and Incorporated Accountants may take and train apprentices without the previous permission of the Government. The holder of a *permanent* (whether restricted or unrestricted) auditor's certificate granted by a Local Government may take and train apprentices, provided he is specially empowered in that behalf by the Local Government of the province where he is practising. The mere fact that he holds a permanent auditor's certificate will not empower him to take apprentices.

The apprenticeship may be served partly under one and partly under another practising accountant, provided it is in each case reported to and recognized by the Accountancy Diploma Board.

*Regulation 12 (b).—*

The practical training in accounts prescribed by this regulation may be (1) partly before and partly after, or (2) wholly before or (3) wholly after the candidate passes the Diploma examination of this Board. The course prescribed for an under-graduate covers five years, viz., two years as a student of a recognized institution, *plus* three years' apprenticeship. The practical training in accounts, if any, received by an under-graduate during his two years' attendance at a recognized institution, will, therefore, not be reckoned as a portion of the three years' apprenticeship prescribed by this regulation.

*Regulation 12 (c).—*

At least two out of the three years' apprenticeship prescribed for graduates must be served after they become graduates.

*Number of apprentices.*—No practising accountant will hereafter be authorised to take and train more than *two apprentices at a time*. This restriction will not apply to candidates who have already commenced their practical training.

*Auditor's certificate.*—No permanent unrestricted auditor's certificate will hereafter be granted by any Local Government or Administration to a person who does not hold the Government Diploma in Accountancy of the Sydenham College of Commerce and Economics, Bombay. Holders of the Diploma have to apply for a permanent unrestricted auditor's certificate to the Local Government of the province where the candidate received his practical training for the Diploma.

By order of the Accountancy Diploma Board.

*Secretary.*

1. Three classes of students are admitted for study in the College :—

(a) "Regular," or those who enter for the full University course.

The admission to this class is restricted to students (male and female) who are natives of, or whose parents are domiciled in, the area within the territorial limits of the Calcutta University, and the province of Bihar and Orissa.

(b) "Casual," or those who enter for selected or isolated subjects.

(c) "Military Class" (only students of European or Eurasian parentage are admitted to this class). (*See separate Prospectus for military students.*)

The admission to this class is regulated by the Director-General, Indian Medical Service.

2. The minimum preliminary qualification for admission to the—

(a) "Regular Class" is the I. Sc. Pass certificate of the Calcutta University.

*N.B.*—This rule does not apply to female students.

(b) "Casual."—The Matriculation or Entrance Pass certificate or the Calcutta or other Indian Universities, or the Pass certificate of an examination equivalent to the Matriculation of Entrance Examination.

3. The session commences on the 15th June.

4. All new students must apply for admission to the Principal, Medical College, Calcutta, in the prescribed form available in his office, before the 25th May, except in the case of Biharis, Uriyas, Chota-Nagpuris and Assamese students, who should apply to the Inspectors-General of Civil Hospitals of their respective provinces for admission within such date as the latter may prescribe.

Selected candidates must pay the following fees on or before the 10th June, failing which their names will be struck off the selected list :—

			Rs. A.
Admission fee	...	...	20 0
Fees for Summer term	...	...	62 8
Athletic Club fee	...	...	1 0
Total	...	...	83 8

5. The number of Regular students to be admitted each year is generally 120, but the Principal may, at his discretion, increase or decrease this number. Preference for admission will usually be given to candidates who have superior qualifications, but the final selection lies entirely with the Principal.

One-fourth of the total number to be admitted shall be Muhammadans. Twelve candidates will be nominated by the Inspector-General of Civil Hospitals of Bihar and Orissa, and six candidates by the Inspector-General of Civil Hospitals of Assam. These candidates must possess the qualifications mentioned in rule 2 (a). In addition, the Bihar and Orissa Government will nominate six scholars who, after 1918, must possess the I. Sc. Pass certificate. These nominations must reach the Principal, Medical College, Calcutta, before the 10th June in each year, failing which the Principal will fill up vacancies with local candidates.

6. Female students of Bengal, Bihar and Orissa, Assam and Burma, belonging to the Calcutta University will be admitted to the College, provided they possess the requisite preliminary qualification and provided there is a vacancy in the Surnomoyee Hostel in which all female students must reside.

7. Failed students must apply for admission and pay fees before the 15th May, otherwise their prior claim lapses.

8. All Regular students must pay an annual fee of Rs. 125 in two instalments, viz., Rs. 62-8 for the Summer term and Rs. 62-8 for the Winter term. Fees once paid cannot be refunded.

9. The fees for each term are to be paid in one instalment. Except in the case of new students, the fees for Summer term are due on the 15th June and those for the Winter term on the 1st November, and must be paid on those dates on or such subsequent dates as the Principal may direct, after which a daily fine of annas 4 will be levied along with the fee in each case of default.

10. All Regular students excepting the female students must pay an annual fee of Re. 1 to the Medical College Athletic Club along with the fees for the Summer term.

11. Students relegated to a further course of study after their failure at the Preliminary Scientific M. B. and at the First M. B. Examinations shall pay Rs. 80 for the whole session in one instalment by the 1st June.

12. Students taking up subjects outside the curriculum of the year in which they are studying shall pay Rs. 30 for each subject, including lectures and practical classes.

13. The fees for Casual students or for certificates issued to Regular students leaving the College before completing their study, or for those issued to military students, shall be Rs. 10 per each course of lecture and practical classes and Rs. 30 for every three months of hospital practice.

14. Students who fail at the Final M. B. Examination shall pay fees for the whole session at the following rates in one instalment by the 1st June:—

	Rs.
For one subject	25
For two subjects	50
For three or more subjects	75

15. In calculating the sum to be paid under rule 12 by a Regular student, the amount of College fees paid by him, or in the case of a student enjoying a stipendiary scholarship and free tuition, the amount which would have been paid by him had he been a paying student shall be deducted.

16. The fees payable by a Muhammadan student requiring certificates in the same way will be calculated on the same principle, i.e., he will be allowed a deduction for the full annual fee, half of which has been paid by himself and half by the Mohsin Fund.

17. Students of the Military class requiring certificates in the same way will be required to pay the rate of fees laid down in paragraph 12 for the full curriculum or for such portion as they have attended. No deduction will be made in this case as they are not free students in the sense in which that term is defined in Bengal Government resolution (Education) No. 601 of the 7th December 1880.

18. The fee for post-graduates undergoing a course of training in the Pathological, Bacteriological, Physiological or Chemical Laboratory is Rs. 90 for a period not exceeding six months.

19. Holders of scholarships awarded by the Government of Bengal are not required to pay the annual fee of Rs. 125 for the year in which they hold such scholarships. All holders of other scholarships, whether granted by other Local Governments, local bodies, or Dufferin Fund, shall pay the same fees as Regular students.

## MEDICAL COLLEGE OF BENGAL.

### RULES FOR THE GUIDANCE OF STUDENTS SEEKING ADMISSION.

1. Three classes of students are admitted for study in the College :—

(a) “Regular,” or those who enter for the full University course.

The admission to this class is restricted to students (male and female) who are natives of, or whose parents are domiciled in, the area within the territorial limits of the Calcutta University, and the province of Bihar and Orissa.

(b) “Casual,” or those who enter for selected or isolated subjects.

(c) “Military Class” (only students of European or Eurasian parentage are admitted to this class). (*See separate Prospectus for military students.*)

The admission to this class is regulated by the Director-General, Indian Medical Service.

2. The minimum preliminary qualification for admission to the—

(a) “Regular Class” is the I. Sc. Pass certificate of the Calcutta University.

*N.B.*—This rule does not apply to female students.

(b) “Casual.”—The Matriculation or Entrance Pass certificate or the Calcutta or other Indian Universities, or the Pass certificate of an examination equivalent to the Matriculation or Entrance Examination.

3. The session commences on the 15th June.

4. All new students must apply for admission to the Principal, Medical College, Calcutta, in the prescribed form available in his office, before the 25th May, except in the case of Biharis, Uriyas, Chota-Nagpuris and Assamese students, who should apply to the Inspectors-General of Civil Hospitals of their respective provinces for admission within such date as the latter may prescribe.

Selected candidates must pay the following fees on or before the 10th June, failing which their names will be struck off the selected list :—

			Rs. A.
Admission fee	...	...	20 0
Fees for Summer term	...	...	62 8
Athletic Club fee	...	...	1 0
		Total	83 8

5. The number of Regular students to be admitted each year is generally 120, but the Principal may, at his discretion, increase or decrease this number. Preference for admission will usually be given to candidates who have superior qualifications, but the final selection lies entirely with the Principal.

One-fourth of the total number to be admitted shall be Muhammadans. Twelve candidates will be nominated by the Inspector General of Civil Hospitals of Bihar and Orissa, and six candidates by the Inspector-General of Civil Hospitals of Assam. These candidates must possess the qualifications mentioned in rule 2 (a). In addition, the Bihar and Orissa Government will nominate six scholars who, after 1918, must possess the I. Sc. Pass certificate. These nominations must reach the Principal, Medical College, Calcutta, before the 10th June in each year, failing which the Principal will fill up vacancies with local candidates.

6. Female students of Bengal, Bihar and Orissa, Assam and Burma, belonging to the Calcutta University will be admitted to the College, provided they possess the requisite preliminary qualification and provided there is a vacancy in the Surnomoyee Hostel in which all female students must reside.

7. Failed students must apply for admission and pay fees before the 15th May, otherwise their prior claim lapses.

8. All Regular students must pay an annual fee of Rs. 125 in two instalments, viz., Rs. 62-8 for the Summer term and Rs. 62-8 for the Winter term. Fees once paid cannot be refunded.

9. The fees for each term are to be paid in one instalment. Except in the case of new students, the fees for Summer term are due on the 15th June and those for the Winter term on the 1st November, and must be paid on those dates on or such subsequent dates as the Principal may direct, after which a daily fine of annas 4 will be levied along with the fee in each case of default.

10. All Regular students excepting the female students must pay an annual fee of Re. 1 to the Medical College Athletic Club along with the fees for the Summer term.

11. Students relegated to a further course of study after their failure at the Preliminary Scientific M. B. and at the First M. B. Examinations shall pay Rs. 80 for the whole session in one instalment by the 1st June.

12. Students taking up subjects outside the curriculum of the year in which they are studying shall pay Rs. 30 for each subject, including lectures and practical classes.

13. The fees for Casual students or for certificates issued to Regular students leaving the College before completing their study, or for those issued to military students, shall be Rs. 40 per each course of lectures and practical classes and Rs. 30 for every three months of hospital practice.

14. Students who fail at the Final M. B. Examination shall pay fees for the whole session at the following rates in one instalment by the 1st June:—

15. In calculating the sum to be paid under rule 12 by a Regular student, the amount of College fees paid by him, or in the case of a student enjoying a stipendiary scholarship and free tuition, the amount which would have been paid by him had he been a paying student shall be deducted.

## MEDICAL COLLEGE OF BENGAL.

### RULES FOR THE GUIDANCE OF STUDENTS SEEKING ADMISSION.

1. Three classes of students are admitted for study in the College :—

(a) “Regular,” or those who enter for the full University course.

The admission to this class is restricted to students (male and female) who are natives of, or whose parents are domiciled in, the area within the territorial limits of the Calcutta University, and the province of Bihar and Orissa.

(b) “Casual,” or those who enter for selected or isolated subjects.

(c) “Military Class” (only students of European or Eurasian parentage are admitted to this class). (*See separate Prospectus for military students.*)

The admission to this class is regulated by the Director-General, Indian Medical Service.

2. The minimum preliminary qualification for admission to the—

(a) “Regular Class” is the I. Sc. Pass certificate of the Calcutta University.

*N.B.*—This rule does not apply to female students.

(b) “Casual.”—The Matriculation or Entrance Pass certificate or the Calcutta or other Indian Universities, or the Pass certificate of an examination equivalent to the Matriculation or Entrance Examination.

3. The session commences on the 15th June.

4. All new students must apply for admission to the Principal, Medical College, Calcutta, in the prescribed form available in his office, before the 25th May, except in the case of Biharis, Uriyas, Chota-Nagpuris and Assamese students, who should apply to the Inspectors-General of Civil Hospitals of their respective provinces for admission within such date as the latter may prescribe.

Selected candidates must pay the following fees on or before the 10th June, failing which their names will be struck off the selected list :—

				Rs. A.
Admission fee	...	...	...	20 0
Fees for Summer term	...	...	...	62 8
Athletic Club fee	...	...	...	1 0
				83 8
			Total	83 8

5. The number of Regular students to be admitted each year is generally 120, but the Principal may, at his discretion, increase or decrease this number. Preference for admission will usually be given to candidates who have superior qualifications, but the final selection lies entirely with the Principal.

One-fourth of the total number to be admitted shall be Muhammadans. Twelve candidates will be nominated by the Inspector General of Civil Hospitals of Bihar and Orissa, and six candidates by the Inspector-General of Civil Hospitals of Assam. These candidates must possess the qualifications mentioned in rule 2 (a). In addition, the Bihar and Orissa Government will nominate six scholars who, after 1918, must possess the I. Sc. Pass certificate. These nominations must reach the Principal, Medical College, Calcutta, before the 10th June in each year, failing which the Principal will fill up vacancies with local candidates.

6. Female students of Bengal, Bihar and Orissa, Assam and Burma, belonging to the Calcutta University will be admitted to the College, provided they possess the requisite preliminary qualification and provided there is a vacancy in the Surnomoyee Hostel in which all female students must reside.

7. Failed students must apply for admission and pay fees before the 15th May, otherwise their prior claim lapses.

8. All Regular students must pay an annual fee of Rs. 125 in two instalments, viz., Rs. 62-8 for the Summer term and Rs. 62-8 for the Winter term. Fees once paid cannot be refunded.

9. The fees for each term are to be paid in one instalment. Except in the case of new students, the fees for Summer term are due on the 15th June and those for the Winter term on the 1st November, and must be paid on those dates on or such subsequent dates as the Principal may direct, after which a daily fine of annas 4 will be levied along with the fee in each case of default.

10. All Regular students excepting the female students must pay an annual fee of Re. 1 to the Medical College Athletic Club along with the fees for the Summer term.

11. Students relegated to a further course of study after their failure at the Preliminary Scientific M. B. and at the First M. B. Examinations shall pay Rs. 80 for the whole session in one instalment by the 1st June.

12. Students taking up subjects outside the curriculum of the year in which they are studying shall pay Rs. 30 for each subject, including lectures and practical classes.

13. The fees for Casual students or for certificates issued to Regular students leaving the College before completing their study, or for those issued to military students, shall be Rs. 40 per each course of lectures and practical classes and Rs. 30 for every three months of hospital practice.

14. Students who fail at the Final M. B. Examination shall pay fees for the whole session at the following rates in one instalment by the 1st June:—

	Rs.		
For one subject	...	...	25
For two subjects	...	...	50
For three or more subjects	...	...	75

15. In calculating the sum to be paid under rule 12 by a Regular student, the amount of College fees paid by him, or in the case of a student enjoying a stipendiary scholarship and free tuition, the amount which would have been paid by him had he been a paying student shall be deducted.

16. The fees payable by a Muhammadan student requiring certificates in the same way will be calculated on the same principle, i.e., he will be allowed a deduction for the full annual fee, half of which has been paid by himself and half by the Mohsin Fund.

17. Students of the Military class requiring certificates in the same way will be required to pay the rate of fees laid down in paragraph 12 for the full curriculum or for such portion as they have attended. No deduction will be made in this case as they are not free students in the sense in which that term is defined in Bengal Government resolution (Education) No. 601 of the 7th December 1880.

18. The fee for post-graduates undergoing a course of training in the Pathological, Bacteriological, Physiological or Chemical Laboratory is Rs. 90 for a period not exceeding six months.

19. Holders of scholarships awarded by the Government of Bengal are not required to pay the annual fee of Rs. 125 for the year in which they hold such scholarships. All holders of other scholarships, whether granted by other Local Governments, local bodies, or Dufferin Fund, shall pay the same fees as Regular students.

**UNIVERSITY OF MADRAS.****NOTIFICATION.****ELECTION TO THE MADRAS LEGISLATIVE COUNCIL BY THE CONSTITUENCY OF THE UNIVERSITY UNDER THE REFORM SCHEME.**

IN connection with the election for the seat in the Madras Legislative Council allotted to the University of Madras under the Reform Scheme, it has been decided by the Government of Madras that a person shall be entitled to be registered as an elector on the roll for the constituency of the University if he has a place of residence in India and is a member of the Senate, or an Honorary Fellow or a graduate of this University of over seven years' standing, *i.e.*, a graduate of the University (including a Licentiate in Medicine or Licentiate in Teaching) who was admitted to his first degree at the annual convocation held in November 1912 or earlier.

Under the regulations for the preparation of the electoral rolls framed by the Government of Madras the electoral roll for the constituency of the University should contain the following particulars—the elector's name, father's name, address and polling station and should be divided into parts for each registration area comprised in the constituency, and each part should be divided into sections for each polling area within the registration area. The electors in each registration area should be numbered in one series and the names in each polling area should be arranged alphabetically and bear consecutive numbers. The polling areas shall be the same as those fixed for the territorial constituencies. The City of Madras and each district in the mufassal will be a separate registration area. All other areas will together form another registration area. The Registration Officers are the Commissioner of the Madras Municipality for the City of Madras, the Collector of the District for each district in the mufassal and the Registrar of the University for other areas.

With a view to enable the Registration Officers to prepare the preliminary electoral rolls for the constituency of the University all members of the Senate, Honorary Fellows and graduates of over seven years' standing who claim to be eligible to be registered as electors are requested to submit their applications in the following form not later than 1st July 1920, to the Registration Officer of the area in which they reside:—

CALCUTTA, the 31st October 1916.

#### UNIVERSITY OF MADRAS.

##### NOTIFICATION.

ELECTION TO THE MADRAS LEGISLATIVE COUNCIL BY THE CONSTITUENCY OF  
THE UNIVERSITY UNDER THE REFORM SCHEME.

IN connection with the election for the seat in the Madras Legislative Council allotted to the University of Madras under the Reform Scheme, it has been decided by the Government of Madras that a person shall be entitled to be registered as an elector on the roll for the constituency of the University if he has a place of residence in India and is a member of the Senate, or an Honorary Fellow or a graduate of this University of over seven years' standing, i.e., a graduate of the University (including a Licentiate in Medicine or Licentiate in Teaching) who was admitted to his first degree at the annual convocation held in November 1912 or earlier.

Under the regulations for the preparation of the electoral rolls framed by the Government of Madras the electoral roll for the constituency of the University should contain the following particulars—the elector's name,

father's name, address and polling station and should be divided into parts for each registration area comprised in the constituency, and each part should be divided into sections for each polling area within the registration area. The electors in each registration area should be numbered in one series and the names in each polling area should be arranged alphabetically and bear consecutive numbers. The polling areas shall be the same as those fixed for the territorial constituencies. The City of Madras and each district in the mufassal will be a separate registration area. All other areas will together form another registration area. The Registration Officers are the Commissioner of the Madras Municipality for the City of Madras, the Collector of the District for each district in the mufassal and the Registrar of the University for other areas.

With a view to enable the Registration Officers to prepare the preliminary electoral rolls for the constituency of the University all members of the Senate, Honorary Fellows and graduates of over seven years' standing who claim to be eligible to be registered as electors are requested to submit their applications in the following form not later than 1st July 1920, to the Registration Officer of the area in which they reside:—

*Position of women in Indian civilization.*

The conditions for the award of the prize are—

D.—In Lower Primary Schools and in the corresponding classes of High, Middle and Upper Primary Schools in this Presidency lessons on Hygiene should be entirely oral. These lessons should take the form of talks on the following or similar topics :—

- (a) The necessity for personal cleanliness.
- (b) The necessity for keeping rooms clean.
- (c) The necessity for pure water, fresh air, sunlight and ventilation, the danger of shutting up sleeping-rooms.
- (d) The danger of insanitary and dirty habits such as spitting.
- (e) The necessity of exercise.
- (f) Some information as to how simple complaints—wounds, snake-bite, burns, etc., should be treated; how a drowning person should be handled, etc.

The teaching must proceed not merely by precept but by example. The first essential then is that the teacher himself should be a man of healthy and clean habits; the second that the school should be well ventilated and scrupulously clean; the teacher should also insist that every child who comes to school must be clean and tidy.

## GEOGRAPHY.

### For use in the upper classes of High Schools in Bengal.

The teaching of this subject, by whatever method is adopted, must in every case be supplemented by the use of maps, charts and pictures. Teachers should consult the "Teachers' List" and apply to leading publishers for their lists, as these are now comprehensive and specially adapted to the needs of Indian schools. Such pictures as "Scenes from other lands" (Macmillan) are suitable for school work, are interesting to children and bring brightness and colour to the class room. Head Masters are requested to see that all the school maps and pictures are on view every day and not stored in office rooms.

- (a) The necessity for personal cleanliness.
- (b) The necessity for keeping rooms clean.
- (c) The necessity for pure water, fresh air, sunlight and ventilation, the danger of shutting up sleeping-rooms.
- (d) The danger of insanitary and dirty habits such as spitting.
- (e) The necessity of exercise.
- (f) Some information as to how simple complaints, wounds, snake-bites, burns, etc., should be treated; how a drowning person should be handled, etc.

The teaching must proceed not merely by precept but by example. The first essential then is that the teacher himself should be a man of healthy and clean habits; the second that the school should be well ventilated and scrupulously clean; the teacher should also insist that every child who comes to school must be clean and tidy.

|------------|-----|-----------------------|

Every school that intends to undertake instruction in Geography for the Matriculation Examination is required to possess the apparatus mentioned in the following list:—

I—(the total cost need not exceed Rs. 65)—

1. A measuring tape.
2. A magnetic compass.
3. Squared paper and tracing paper.
4. Clay, dry sand, paper pulp for modelling.
5. A globe, not less than 14 inches in diameter, with writing surface, and with line of latitude and longitude, and outlines, only of the land masses, marked upon it.
6. A map of the school locality on a scale of 4" or 6" = 1 mile.
7. A map of the district in which the school is situated on the scale 1" = 1 mile
8. A coloured map of the province.
9. A coloured political map of India.
10. A physical map of India.
11. A relief map of India.
12. A map of the world on Mollweide's equal area projection and a map of Asia.

It is essential that the students should be provided with atlases, or with the necessary hand-maps, and with a drawing instrument box. Maps for school work should not contain too much detail, or be crowded with names.

II. The following additional equipment is recommended when it can be provided, but that lack of it is not to be considered as a bar to the recognition of the school in Geography:—

1. A thermometer.
2. A mercury barometer.
3. A rain-gauge.
4. A small collection of typical rocks, in particular, those of the province and of India.
5. A small museum of typical products.
6. A good standard atlas.
7. Geographical pictures.
8. Magic lantern and slides.

1. The attention of teachers is requested to the raised maps of Bengal and Eastern Bengal and Assam made of paper pulp, prepared by Babu Kailaschandra Datta, Head Pandit, Habiganj Government Girls' School, Sylhet, and sold for Rs. 7 and Rs. 5, respectively.

(2) Globes of all kinds are made by George Philip and Son, London, W., and A. K. Johnston, London, and Messrs. Ruddiman Johnston, London.

Small hand globes of German make can be obtained through the Indian School Supply Depôt for about a rupee each.

(3) The "Comparative" series of large wall maps of the continents published by George Philip and Son is good and up to date, so also are the Orographical wall maps published by Edward Stanford. Messrs. Ruddiman Johnston publish a series of smaller wall maps which includes maps of India illustrating various distributions.

Messrs. Nelson's wall atlases are good. Mr. S. B. Chatterji publishes District maps; also ordinary and relief maps of the province.

Babu L. M. Basu, the drawing master of the Dacca Collegiate School, has published good relief maps of Eastern Bengal and Assam and of India.

The Vidal-Lablache French wall maps on strong cardboard, named on one side, and the same map without names on the reverse, published by Armand Colin, Paris, are good and cheap. They measure 46 inches by 39 inches and can be delivered in Calcutta for Rs. 4-14 each.

(4) The hand maps, coloured to indicate relief, published by the Diagram Company, West Barnes Lane, New Malden, Surrey, at one penny each, are the best of their kind.

The uncoloured half-penny maps showing river systems and a few towns, published by the same Company, are excellent for class use.

The Autograph hand maps, with hill shading in brown, published by Edward Stanford, London, at one penny each, are very good, and are larger than the Diagram Company's hand maps. The 15 inches map of the world on Mollweide's equal area projection is specially to be commended.

(5) Wall pictures of considerable artistic merit are published by Messrs. Edward Arnold of Leeds, Messrs. Hachette of Paris and Messrs. Holzcl of Vienna, and Messrs. Longmans, Green and Company. They cost, delivered in India, from two to three rupees each.

Map lantern slides and view slides especially prepared for Geography teaching are sold by the Diagram Company for two or three shillings each. Mr Bartington Smith of Darjeeling also sells good picture slides of the Himalayas at Rs. 15 per dozen.

#### ELEMENTARY MECHANICS.

The following books are recommended:—

Sir Philip Magnus .. Elementary Mechanics (Longmans, 1903).  
A. N. Sen ... Elementary Mechanics.

The following list of apparatus is prescribed as indicating the approximate requirements of a recognised High school seeking to teach Elementary Mechanics for the Matriculation Examination:—

Plumb-line and Level.  
Simple Lever (including brass slotted weights).  
Roman Steelyard.  
Lecture apparatus for experiments on moments.  
George's New Atwood's machine.  
Stop-watch.  
Glazebrook's apparatus (to demonstrate movements of a body).  
Hick's Ballistic Balance.  
Compound Wheel and Axle.  
4 Single Brass Pulleys.  
2 Single Brass Pulleys.  
2 Triple Brass Pulleys.  
Weston Differential Pulley Blocks ( $\frac{1}{2}$  ton).  
16 feet of chain at 6d. per foot.  
Inclined Plane.  
Parallelogram of Forces apparatus.  
Wall Crane.  
Becker's New Physical Balance.  
Set of Gramme Weights (200 grams to 1 mgr.).  
2 Composition-ivory Balls.

NOTE.—The above list is not exhaustive, and much of it might be replaced by simpler forms that could probably be made far more cheaply by any clever mistry under proper supervision. In most cases, however, it will probably be found advantageous to buy such a set as indicated in the list specially for demonstration purposes, and subsequently to develop simplified duplicates, illustrating the same principles, which the boys should be given opportunity actually to experiment with on their own individual account or working in pairs.
